Dewey Caskey, Sharon Center, Ohio.	

Prepare NOW to enter the CITY TOURNAMENT  
beginning May 5, 1958 at Garden Lanes.

## PRESIDENT'S MESSAGE

To the members of the Akron Bowling Association:

At the annual meeting of the Board of Directors of the Akron Bowling Association, I had the distinct honor of being elected to the office of President of your Association for the 1957-58 season. With the responsibility of directing our growing Association, may I say that it has been a pleasure to work with, and for, a fine group of bowlers and Executive Officers.

This, our first Annual Average Year Book, as compiled from the 1956-57 season, is presented to each sanctioned bowler for his personal use. We trust you will enjoy it and find it helpful in many ways. As this was our initial venture into this type of publication we solicit your comments on making our next issue a bigger and better one. To each member who contributed his time and effort to make this book possible, I wish to thank you for a job well done. To each advertiser, we are indebted for their contribution. May I urge each and every bowler to patronize them whenever possible.

To make this a banner year for our Association, may I have the pleasure of seeing each League Officer at our Annual Board of Directors Meeting and may we receive the largest team and individual entry in history, for our City Bowling Tournament.

George H. Long,  
President

## MESSAGE FROM THE SECRETARY

To all the bowlers and league officers of the Akron Bowling Association. It has been a pleasure to serve you as the secretary and treasurer of your association for the last six years, also I want to thank the league secretaries for their co-operation that this average book was made possible.

Over the past six years there has been a great number of games rolled in the Akron Bowling Association that has been recognized by the American Bowling Congress for a high game, high series or for national recognition, and it has been a great honor of mine to present these awards to the various bowlers. Also I want to take this opportunity to thank the great number of alley proprietors for their fine co-operation in making the Akron Bowling Association one of the finest in the eyes of the American Bowling Congress.

Hoping to see every bowler of our association at our next City Tournament that is scheduled to start May 5, 1958 at the Garden Lanes on East Market Street, I remain,

Sincerely yours,  
Akron Bowling Association  
Dec D. Hines, Sec'y.
